Re: United States v. Daniel Logan, 18 Cr. 870 (AT)

Honorable Judge Torres:

I write with the consent of the Government and on behalf of Mr. Logan to respectfully request that the date on which Mr. Logan must surrender to the Bureau of Prisons (BOP) be extended from January 12, 2021 for at least three months. This is the third request for an extension of Mr. Logan's surrender date.

This additional request is required because it is my understanding that, as of today's date, the BOP has not yet designated a facility to which Mr. Logan will surrender, thereby necessitating his surrender to the United States Marshalls at 500 Pearl Street, and his detention pending BOP designation at either the MCC or the MDC. Both of those facilities continue to experience COVID-19 outbreaks. Requiring Mr. Logan to surrender on January 12, 2020 would expose him to risk of coronavirus infection. A 90-day extension of Mr. Logan's surrender date would allow the BOP more time to designate him to a facility to which he could report directly without such risk.

I have discussed this request with Assistant United States Attorney Nicholas Chiuchiolo, who consents on behalf of the Government. If Your Honor requires additional information, I may be reached at the number below, or at Christopher_Flood@fd.org.

Thank you for considering this request

Respectfully submitted,

/s/ Christopher A. Flood
